Copyrights

Copyright belongs to the respective MTU company the customer is in a contractual relationship with. All Rights Reserved. The text, images, graphics, sound files, animation files, video files and their arrangement

on MTU's myMTU Portal are all subject to Copyright and other intellectual property protection. These objects may not be copied for commercial use or distribution, nor may these objects be modified or reposted to other sites. Some myMTU Portal information also contain images that are subject to the copyright rights of their providers.

Liability

MTU does not make any representations or warranties, nor does it accept any liability, whether explicit or implicit, for defects in quality or defects in title of the information and documents for download or executable computer programs made available by the respective MTU Company on its myMTU Portal. Specifically, the respective MTU company does not accept any liability for the accuracy, absence of errors, absence of third-party proprietary rights and copyrights, completeness, and/or fitness for a particular purpose.

Although we make every effort to keep our myMTU Portal free from malicious content (e.g. viruses), we do not warrant they are free from malicious code. It is the user's responsibility to ensure that the computer system is adequately protected (e.g. has a current anti-virus program installed) before the user starts to download information, files or executable computer programs.

Forward-Looking Statements

The myMTU Portal contains forward-looking statements based on beliefs of MTU management. When used in this Portal, words such as "anticipate", "believe", "estimate", "expect", "intend", "plan" and "project" are intended to identify forward-looking statements. Such statements reflect the views of MTU as of the date made with respect to future events and are subject to risks and uncertainties. Many factors could cause actual results to be materially different from those projected here, including, among others, changes in general economic and business conditions, changes in currency exchange rates and interest rates, introduction of competing products, lack of acceptance of new products or services and changes in business strategy. MTU disclaims any intention or obligation to update these forward-looking statements.

No Licenses

MTU has sought to achieve an innovative and informative Portal. However, you also need to understand that MTU must protect its intellectual property, including its patents, trademarks and copyrights. Accordingly, please appreciate that no licenses or user rights of the displayed contents of the website and the embedded intellectual property of MTU are granted.
